Specified Education Component for Nurse Faculty Loan Program (NFLP) Recipients

What is the specified education component for the advanced nurse education program at the MU Sinclair School of Nursing?

- All NFLP recipients MUST take three (3) graduate level education courses.

- For recipients who do NOT have a MS in Nursing education, you are expected to take:
  
  a) N8854 Teaching Strategies in Nursing (3 cr),  
  b) N8864 Curriculum Development in Nursing (3 cr), AND then take  
  c) Either N8950 Teaching Nursing Practicum (4 cr) OR N8964 Distance-Mediated Teaching Nursing Practicum (4 cr)

- For recipients who have a MS in Nursing Education or a Graduate Certificate in Nursing Education, you are expected to take:
  
  a) Two (2) graduate level courses (3 cr each) approved by your advisor from the MU College of Education AND then take  
  b) N8954 Distance-Mediated Teaching Nursing Practicum (4 cr)

- Examples of graduate level educator courses available online from the College of Education can be found at [http://sislt.missouri.edu/courses/learning-technologies-course-rotation/](http://sislt.missouri.edu/courses/learning-technologies-course-rotation/) and [https://online.missouri.edu/degreeprograms/education/college-teaching/grad-cert/admissions.aspx](https://online.missouri.edu/degreeprograms/education/college-teaching/grad-cert/admissions.aspx)
