

RESEARCH - DEIDRE WIPKE-TEVIS

Shout Outs

Elizabeth Anderson has been selected to participate in the NIH/NCI funded *R25 Advanced Course on Cancer-Related Health Disparities Research, Mentoring, and Leadership Project* that is scheduled to kickoff at Indiana University, Indianapolis Campus, May 19-22, 2025.

John Robert Bautista won the MNRS Health Systems, Policy & Informatics RIIG Early Career Award at Midwest Nursing Research Society 49th Annual Research Conference, Indianapolis, IN. March 26 - 29, 2025

John Robert Bautista was selected for the 2025-2027 Learning and Expanding Abilities for Professoriate Cohort Fellows Program (LEAP). The LEAP program is a two-year cohort program designed to support assistant professors (TT and NTT) as they begin their academic careers as faculty members. Faculty members will participate in workshops and career-building events on topics of concern for assistant-level professors and supported by the Provost Office.

Daphne Chakurian PhD'24 won the MNRS Gerontological Nursing Science RIIG Dissertation Award at Midwest Nursing Research Society 49th Annual Research Conference, Indianapolis, IN. March 26 - 29, 2025

PhD Candidate **Drew Herbert** was recently highlighted in Show Me Mizzou for his research on how [GPT-4 can help mothers struggling with opioid addiction](#).

Jennifer Hulett was accepted as a Fellow to the 2025 Society of Behavioral Medicine Leadership Institute.

Kim Jackson PhD'24 won the MNRS Health of Diverse Populations RIIG Dissertation Award at Midwest Nursing Research Society 49th Annual Research Conference, Indianapolis, IN. March 26 - 29, 2025

Alisha Johnson won the MNRS Gerontological Nursing Science RIIG Early Career Award at Midwest Nursing Research Society 49th Annual Research Conference, Indianapolis, IN. March 26 - 29, 2025

Knoo Lee was granted a scholarship to participate in the National Center for Faculty Development & Diversity (NCFDD) Faculty Success Program for the summer 2025 semester.

Blaine Reeder was selected to receive the MU Faculty Council Shared Governance Award.

Anne Sales has been selected to receive the prestigious **Fulbright U.S. Scholar Award** from the U.S. Department of State and the Fulbright Foreign Scholarship Board for 2025-2026 academic year. As part of her Fulbright award, Anne will be collaborating with scholars in Zambia, South Africa, and Malaysia.

PhD student **Melissa Taylor** won a 2nd Place Poster Award in the Social & Behavioral Sciences category for her poster entitled, "Lessons Learned from a Global Outbreak: PPE Access and Use in Nursing Homes during the COVID-19 Pandemic" at the MU Graduate Professional Council's Research & Creative Arts Forum on April 23, 2025.

Undergraduate students **Josie Rood** and **Rachel Trosky** have been selected for Fall 2025 Essig Undergraduate Research Fellow Mentorship recipients. Josie will be mentored by John Robert Bautista and Rachel will be mentored by Kimberly Powell.

Christa Torrisi PhD'24 won the MNRS Qualitative Methods RIIG Dissertation Award at Midwest Nursing Research Society 49th Annual Research Conference, Indianapolis, IN. March 26 - 29, 2025

Postdoctoral fellow **Karry Weston** PhD'24 won the MNRS Perinatal, Sexual & Reproductive Health RIIG Dissertation Award at Midwest Nursing Research Society 49th Annual Research Conference, Indianapolis, IN. March 26 - 29, 2025.

Postdoctoral fellow **Karry Weston** PhD'24 was awarded the MU Postdoctoral Association Travel Grant in the amount of \$500.

ShowMe News recently published a story about **Karry Weston's** breastfeeding research. The article was titled: "[New research sheds light on breastfeeding barriers in rural communities](#)"

Blue Ridge Institute for Medical Research Rankings of NIH Funding in 2024 have been released. Of the more than 2,600 colleges and universities in the United States that offer nursing degrees, only 89 had NIH research funding in 2024. We are delighted to report that MU Sinclair School of Nursing was **ranked 58th out of 89** in NIH research funding in 2024!

Grants and Contracts awarded or submitted during March-May

Awarded

Maite Enriquez (PI), "Effectiveness of and Implementation Strategies for 'Disfrutando'": A Culturally Tailored, Bundled Intervention to Address type 2 Diabetes Mellitus in High Burden Populations – Washington University (in St. Louis) Center for Diabetes Translation Research (CDTR) Pilot & Feasibility Program – \$50,000

Maite Enriquez (PI) & C. Manrique-Acevedo, A-L Cheng & Community Partners – "Building Capacity in Missouri Hispanic Communities for a Patient Centered Diabetes Research Agenda," Patient Centered Outcomes Research Institute (PCORI) – \$ 299,997 (effective 11/1/2025)

Marilyn Rantz (PI) & Amy Vogelsmeier (Co-I) – 2025-2026 Quality Improvement Program for Missouri (QIPMO) – MO Department of Health & Senior Services/Contract - \$726,666

Anne Sales (Site PI), "An integrated intervention to address the double burden of maternal child malnutrition in Guatemala" Subk from Brigham and Women's Hospital (Rohloff Ramirez-Zea, MPIs) – NIH/NIMHD - R01 - \$98,819

Jenni Schmitz (PI, PhD Candidate [Mentor Wipke-Tevis]) – Providing Wound Care Activities to a child in the Home: Family Caregiver Experiences and Social Determinants of Health – MU Graduate Professional Council/Research Development Award - \$400

Nuha Wareg (PI, PhD Candidate [J. Armer & J Hulett, Co-Mentors]) – "The Perspective of American Muslim Breast Cancer Survivors: A Study to Explore Experiences, Needs, and Expectations" - MU Sinclair School of Nursing/Toni & Jim Sullivan Endowed Research Fund for PhD Students - \$718

Ashley Woods (PI, PhD Candidate [A. Vogelsmeier, Mentor]) – “Exploring Pain Assessment and Management Experiences in Recently Hospitalized Minoritized Older Adults: A Qualitative Study – MU Sinclair School of Nursing/Toni & Jim Sullivan Endowed Research Fund for PhD Students - \$250

Arthur Zacharjasz (PI, PhD Candidate [Mentor Vogelsmeier]) – “Explaining COVID-19 Vaccine Decision-making among Rural Nursing Home Staff: A Grounded Theory Approach” – Alpha Iota Chapter of Sigma Theta Tau/Research Grant - \$1000

Arthur Zacharjasz (PI, PhD Candidate [Mentor Vogelsmeier]) – “COVID-19 Vaccine Decision-making in Rural Nursing Home Staff” - MU Graduate Professional Council/Research Development Award - \$400

Submitted

Barohn (PI), Castoro, McClay, Koopman, Braddock, & **Anne Sales** (Co-Is) – “Comparative Effectiveness Trial of Topical ointments in Adults with Painful Neuropathy” – Patient Centered Outcomes Research Institute/Managing Pain Topical PCORI Funding Announcement

Becevic, M (PI) and Dandachi, Mutrux, Boren Rao, Caserline, Golzy, Ge, Greever Rice, & **Amy Vogelsmeier (Co-Is)** “The Center for Telehealth Research and Policy” – Health Research Services Administration (HRSA)/Telehealth Research Center

Alisha Johnson & Blaine Reeder (MPIs) – Adapting Digital health Aging-in-Place Care Coordination for Congregate Care Delivery – The Donaghue Foundation/Greater Value Portfolio - Letter of Intent

Kassi Maturino (PI, PhD student [Mentors Bullock & Anbari]) – Exploring Knowledge, Attitudes, and Beliefs about Perinatal Cannabis use among Postpartum Women of Childbearing Age in a State Where Recreational Cannabis Use is Legal: A Qualitative Study” NIH/NIDA – F31

Popescu, M (MU Site PI) & **Johnson, A** (Co-PI) – “C2SHIP: Human Fall Detection in Bathrooms Using Low-Cost LiDAR Sensors” Subk from University Arizona – NSF Industry-University Cooperative Research Centers Program – Pilot Project - \$9,356

Jenni Schmitz (PI, PhD Candidate [Mentor Wipke-Tevis]) – Providing Wound Care Activities to a child in the Home: Family Caregiver Experiences and Social Determinants of Health – MU Graduate Professional Council/Research Development Award

Arthur Zacharjasz (PI, PhD Candidate [Mentor Vogelsmeier]) – “Explaining COVID-19 Vaccine Decision-making among Rural Nursing Home Staff: A Grounded Theory Approach” – Alpha Iota Chapter of Sigma Theta Tau/Research Grant

Arthur Zacharjasz (PI, PhD Candidate [Mentor Vogelsmeier]) – COVID-19 Vaccine Decision-making in Rural Nursing Home Staff - MU Graduate Professional Council/Research Development Award
